RCMS Athletic News

The IESA has communicated that Boys Basketball (tentatively scheduled to begin January 4) and Girls Volleyball (tentatively scheduled to begin January 11) practices will not be able to begin while we are under Tier 3 mitigations. Signups were going to occur this week, but we will hold off until we know more about what the seasons may look like. The IESA will send more updates, potentially over break, and I will keep you updated once we have something more solid. Thank you for your patience. Please email me at chad.klover@rc255.net if you have any questions.
